

TWO²

**Sauvignon Blanc
Napa Valley
2019**

Two Squared wines are designed to be approachable in both flavor and price. Opulent, fruit-driven and generous, with a backbone of acidity and elegance, these wines are produced by masterful blending across terroirs evocative of Napa Valley's modern style. TWO² is the best of both worlds in its inspiration and creation.

WINEMAKER NOTES

2019 provided us with an unprecedented growing season. In early spring, moderate to cooler temperatures and fairly high levels of moisture in the ground delayed vine growth. On the surface, showers during bloom in May appeared to make for a challenging season. However, continual moderate temperatures from June through August allowed vines to balance their growth. By early August, as cluster size was fully developed and overall growth more harmonious, it was clear that 2019 would be a memorable vintage.

ABOUT THE VINEYARD

TWO² winemakers acquire fruit from younger Napa Valley vineyards that display a silky tannin profile and opulent texture which allow for early accessibility. We have unearthed a range of privately owned boutique vineyards, hidden gems tucked in secret pockets of Napa Valley that only Mother Nature and our winemaking team are fortunate enough to touch.
